DESCRIPTION

This artful sconce is meticulously crafted from high-quality resin, shaped to embody the essence of a leaf that has alighted upon the water, its lines and grooves reminiscent of nature's intricate patterns. The centerpiece is a soft, matte plastic diffuser that glows like a beacon of tranquility, symbolizing a comforting light carried safely by the leaf's embrace. Ideal for creating an atmosphere of calm and reflection, this piece is a homage to the serene journey of a leaf transformed into a vessel of light – a tranquil "Leaf Canoe" adrift on the still waters of any contemporary or naturalistic setting.
