DESCRIPTION

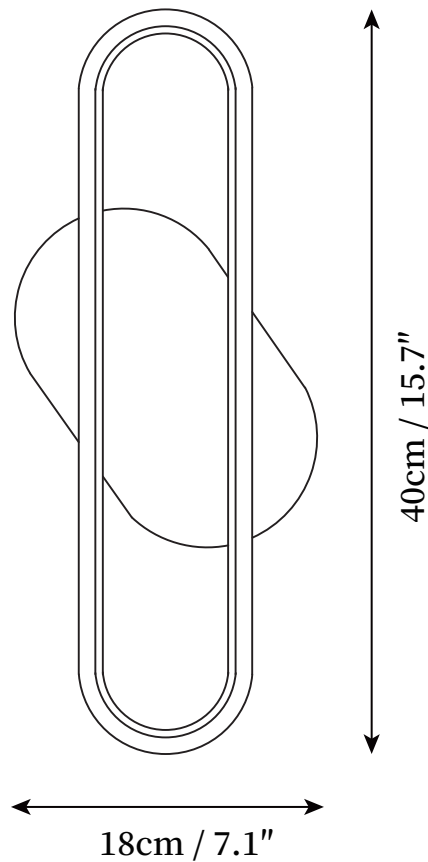

The simple indoor light fixtures wall mount throws light up, down, and to sides, giving out soft and bright light in four directions to decorate your house and portray a nice ambience. They are very modern looking and give off plenty of light, lighting up the space. The LED wall lamp body is made of high-quality H65 copper, anti-rust, and effective heat dissipation, making the wall lamp more durable and extending the service life. The acrylic lampshade, LED light bar inside, and advanced painting technology make the anti-rust level higher.
