DESCRIPTION

Lights are sprinkled throughout the interior of Epic's diamond-shaped, plated topaz prism, producing a dazzling effect. When turned on, the crystal diffuses the glare, and when turned off, the plated quality of the crystal creates a subtle yet stunning appeal. Finished in Forged Brass, the exterior hand-worked brass frame creates a simple silhouette, accented by Polished details. Epic's been given a new look with this more transparent, glam version. With a Gold Leaf outer frame and an inner diamond of thick bevel-cut glass around a sputnik core candle cluster, this beauty is sure to make heads look up.
