DESCRIPTION

Petals Glass is a small table lamp, a Norwegian designer who has made a name for himself on the international scene thanks to his ability to instil emotions, appeal and ideas into everyday objects.

Taking up very little space, just 24 cm tall with a diameter of 15 cm, Blom is a light, fun lamp that is easy to pick up and move and suitable for any purpose. Its name, a contraction of the word blomst, which in Norwegian means flower, is inspired by its petal shaped blades.
