- 2:Fix the hanging board to the ceiling
- 3:Connect the lamp wires to the reserved wires
- 4:Tighten the nut to secure the lamp body
- 5:Tighten the lampshade with a ring
- 6:Installing bulb

The diagram illustrates a cable management setup. A horizontal channel is shown with a cable entering from the left and exiting to the right. The cable is secured by two screws on the left and two screws on the right. The screws are shown being tightened into the channel. The cable is also secured by two clips on the left and two clips on the right. The clips are shown being attached to the cable. The diagram is a technical drawing with black lines on a white background.
