DESCRIPTION

The Caprani Floor Lamp is a playful take on the Scandinavian design language of the 1970s. It effortlessly integrates into any space or style, standing out as an uncommonly beautiful piece. The lamp's name comes from a fascination with tree lines, the natural boundaries that mark transition points between trees and rocks. Here, he translates that concept into a sudden juxtaposition of wood and iron.

SPECIFICATION DETAILS

*For custom options, consult factory for details

SKU	VKF-240123-001
Fixture Dimmensions	D 31.5" x H 63", D 37.4" x H 74.8"
Light source	E26 or E27 (bulb not included)
Wattage	MAX 40W incandescent bulb or LED equivalent.
Voltage	AC 110-240V
Dimming	Compatible with dimmable bulbs (bulb not included)
Control method	Inline stepless dimming switch and remote control dimmer switch.
Finishes	Red & Yellow & Blue & Green.
Shade Details	White.
Material	Metal, Iron, Acrylic.
Cord Length	Supplied with switched plug cord, length ~59" (150cm).
