

Shell installation diagram

The innermost ring is A, and the outer ring is B, C, D, E

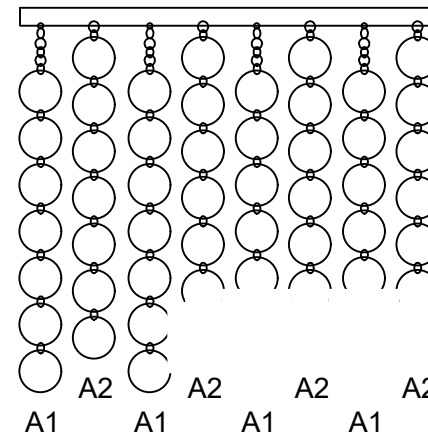

Circle A: 7 shells	6 strings of A1/A2
Circle B: 6 shells	12 strings of B1/B2
Circle C: 5 shells	18 strings of C1/C2
Circle D: 4 shells	24 strings of D1/D2
Circle E: 3 shells	30 strings of E1/E2

Start with the innermost ring

A1 Install a string at intervals

A1 Installation complete

Then install A2 on the empty space

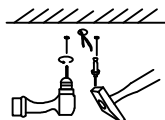

Staggered installation, the same as the back

Install rings B, C, and E

The figure above shows the actual installation list. The specific quantity depends on the parameters on the left

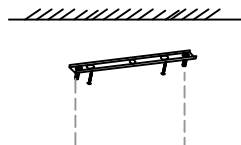

Note: The difference between 1 and 2 is different from the number of metal rings

1

Drill holes in the ceiling and insert expansion screws

2

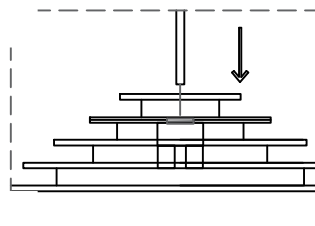

Install the hanging plate on the ceiling

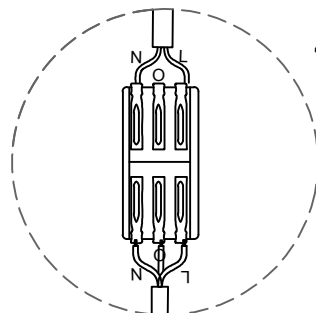

3

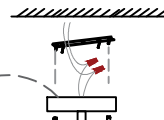

The electric wires in the home connect to the light fixtures

Mounting lamp body

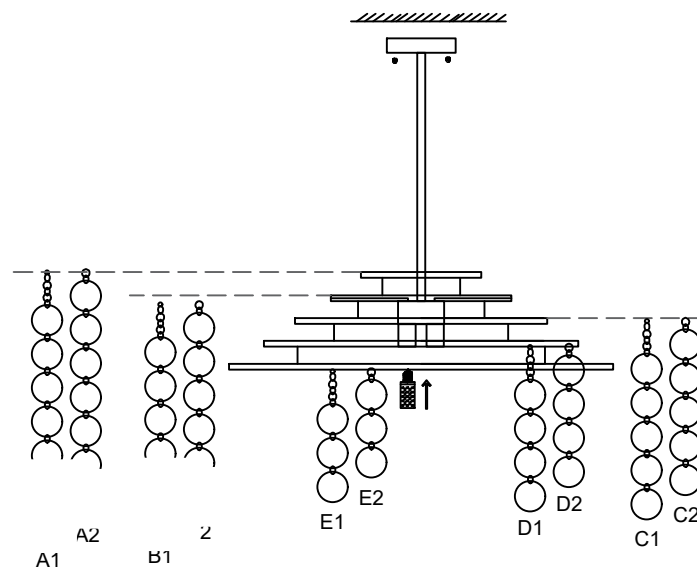

4

Install the lamp body on the hanging plate

5
