

Rice Field Acoustic Pendant Lamp

LAMPCOZY.STORE

SUPPORT@LAMPCOZY.STORE

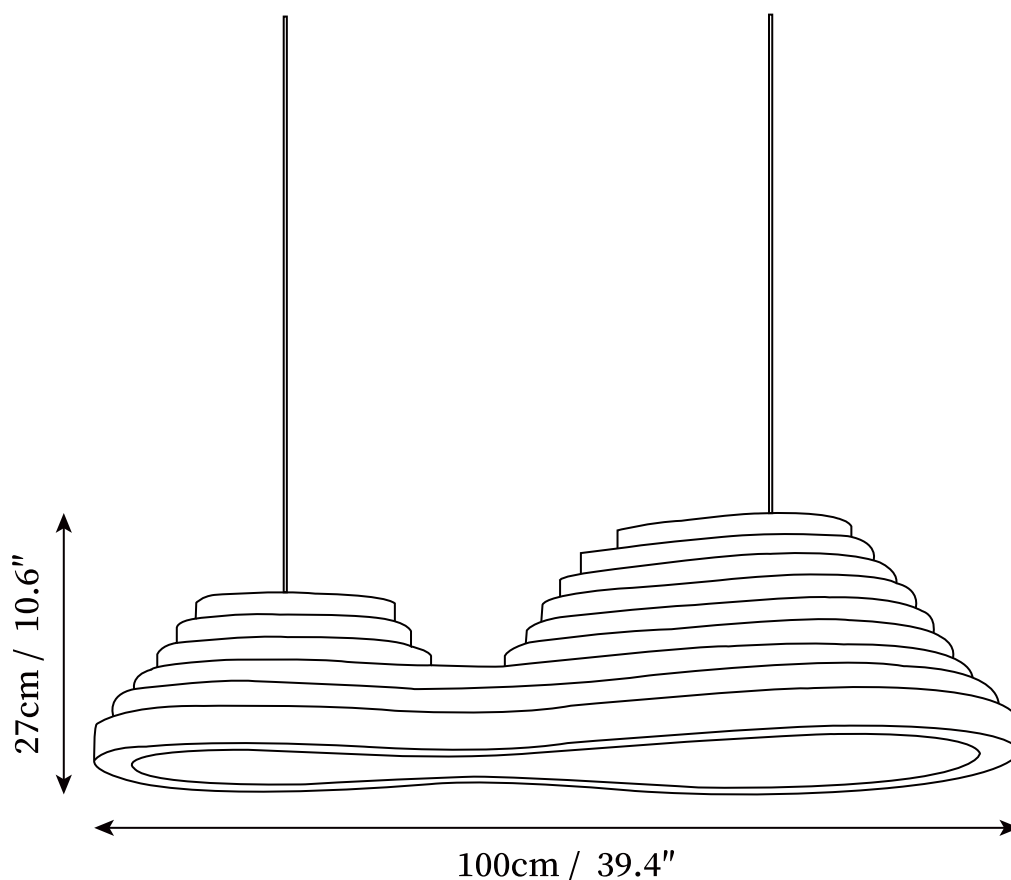

DESCRIPTION

The acoustic lighting series Rice Field is part of the Acoustic Design Solutions collection. Sound absorption and design are wrapped into one. The acoustic lighting series 'Rice Field' is inspired by the similar shape of rice fields and is based on the importance of acoustics and light in interior design. These acoustic lamps are created by using resin, an open-cell resin with outstanding acoustic properties. The shape is a perfect match with the acoustic properties of the resin. By adding extrusion to the flat surface the volume of the shape is enhanced, improving its effectiveness. This in combination with high-quality E27 lighting results in an inventive system that controls both light and sound.

SPECIFICATION DETAILS

*For custom options, consult factory for details

SUK	20220622174301
Fixture Dimensions	D 23.6" x H 9.5"
Light source	E26 or E27 (bulb not included)
Wattage	MAX 40W incandescent bulb or LED equivalent.
Voltage	AC 110-240V
Mounting	Hardwired.
Dimming	Compatible with dimmable bulbs (bulb not included)
Control method	Compatible with common wall switches(not included)
Finishes	white
Shade Details	white
Material	Resin, Metal
Wire Length	The standard length of the suspended wire is 59 "(150 cm) and the length is adjustable.
