

Wonder Table Lamp

LAMPCOZY.STORE

SUPPORT@LAMPCOZY.STORE

DESCRIPTION

A lamp that at first glance looks like a traditional portrait bust, however, one can quickly conclude that Wonder is anything but that. The lamp's lightbulb is hidden inside the pink chewing gum bubble, and whether the lamp is on or not, it manages to create its very own crazy expression. So if you are looking for a lamp that can really give your desk a completely different mark, then Wonder is a great offer for a lamp that can give just that.
