

Staggered Glass Globes Chandelier

LAMPCOZY.STORE

SUPPORT@LAMPCOZY.STORE

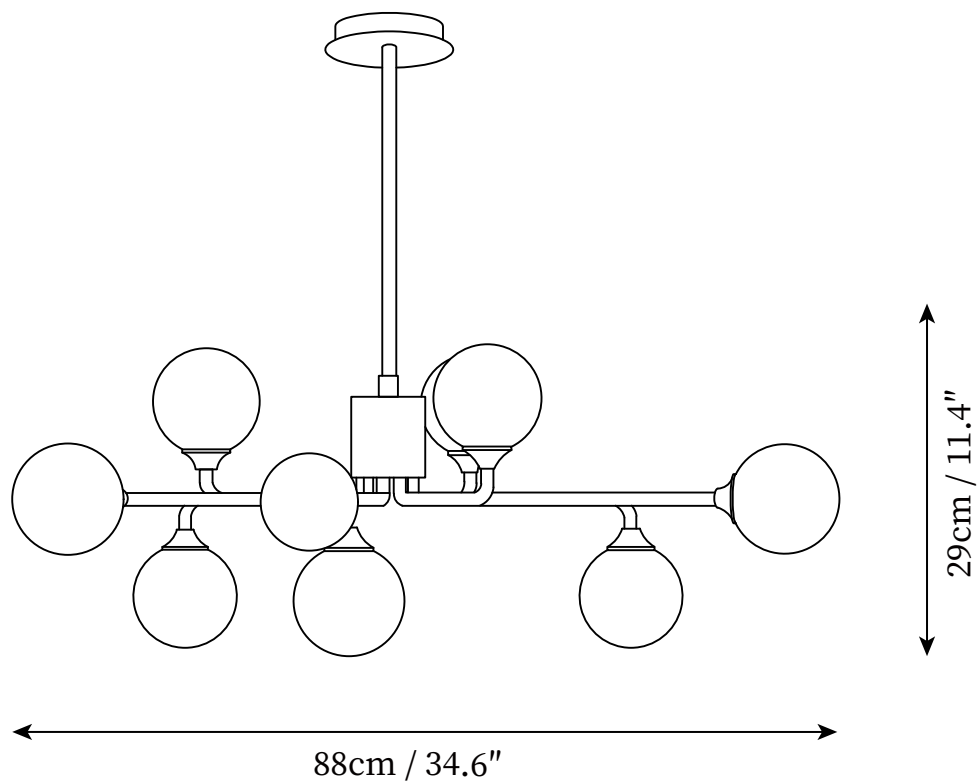

DESCRIPTION

Staggered Glass Globes Chandelier features casually stretched arms including straight and curved arms, giving a sense of freedom, as if it could be unconstrained to extend. With a noble golden body, each detail reveals luxury. Mainly made of metal and glass, it is composed of straight lines, curves, and balls. The opal glass balls are arranged in different levels, which creates a sense of layers. It is available in two sizes. This luxurious molecular light exudes elegance all the time. Whether it's hung in the living room or bedroom, it can be a good lighting as well as a decorative chandelier, which will add a luster to your home.
